

The Historie of

And our induction full of prosperous hope.

Hot. Lord Mortimer, & coosin Glendower, will you sit downe:
And vncke Worcester, a plague vpon it, I haue forgot the Map.

Glen. No, here it is; sit Coosin Percy, sit good Coosin Hotspur;
for by that name, as oft as Lancaster doth speake of you, his
Cheeke lookes pale, and with a rising sigh he wisheth you in
Heauen.

Hot. And you in Hell, as oft as he heares Owen Glendower
spoke of.

Glen. I can not blame him; at my natiuitie,
The front of Heauen was full of fire shapes;
Of burning Cressets: and at my birth,
The frame and foundation of the Earth
Shak'd like a Coward.

Hot. Why so it would haue done at the same season, if your
Mothers Cat had but kitchaed, though your selfe had neuer bin
borne.

Glen. I say the Earth did shake when I was borne.

Hot. And I say the Earth was not of my minde,
If you suppose, as fearing you, it shooke.

Glen. The Heauens were all on fire, the Earth did tremble.

Hot. Oh! then the Earth shooke to see the Heauens on fire,
And not in feare of your Natiuitie:

Diseased Nature oftentimes breakes forth
In strange eruptions, and the teeming Earth,
Is with a kind of Collicke pincht and vext,
By the imprisoning of vnruely Winde

Within her wombe, which for enlargement striming,
Shakes the old Beldame Earth, and toples downe
Steeple, and mos-grown Towers. At your Birth,
Our Grandam Earth, hauing this distemperature,
In passion shooke.

Glen. Coosin, of many men
I do not beare these crossings: giue me leaue
To tell you once againe, that at my Birth,
The front of Heauen was full of fierie shapes,
The Goates ran from the Mountaines; and the Heardes
Were strangely clamorous to the frightened Fieldes,

These

Henry the fourth.

These signes haue markt me extraordinarie,
And all the courses of my life do shew,
I am not in the roll of common men:
Where is the liuing, clipt in with the Sea,
That chides the Bankes of England, Scotland, and Wales,
Which calls me Pupill, or hath read to me,
And bring him out, that is but Womans sonne,
Can trace me in the tedious wayes of Art,
And hold me pace in deepe experiments.

Hot. I thinke there's no man speakes better Welsh;
He to dinner.

Mor. Peace coosen Percy, you will make him mad.

Glen. I can call Spirits from the vasty deepe.

Hot. Why, so can I, or so can any man:
But will they come, when you do call for them?

Glen. Why, I can teach thee coosen, to command the Diuell.

Hot. And I can teach thee coosen, to shame the Diuell,
By telling truth. Tell truth, and shame the Diuell.
If thou haue power to raise him, bring him hither,
And Ile be sworne, I haue power to shame him hence.
Oh while you liue, tell truth, and shame the Diuell.

Mor. Come, come no more of this vnprofitable chat.

Glen. Three times hath Henry Bullingbrooke made head
Against my power, thrice from the banks of Wye,
And Sandy bottom'd Severne haue I hent him
Bootes home, and weather-beaten backe.

Hot. Home without bootes, and in fowle weather too?
How scapes he agues in the diuels name?

Glen. Come, here is the Map, shall we deuide our right,
According to our threefold order taned?

Mor. The Arch-deacon hath deuided it
Into three limits, very equally:
England from Trent, and Seuerne hitherto,
By South and East, is to my part assignde,
All Westward, Wales beyond the Seuerne shore,
And all the fertile land within that bound.
To Owen Glendower: and deare coose, to you
The remnant Northward, lying off from Trent,

E.

And
